*Helping young people
Engage with Life!*

Psychologists In Schools

Our team of highly skilled Psychologists offer counselling services for students in primary and secondary schools across Melbourne.

- Practical strategies to cope it stress, anxiety, and other concerns.
- Confidential services provided onsite at your school.
- Bulk billed in schools - no cost to you.

Talk with your school wellbeing team.

Dr. James van Cuylenburg *B.Arts (Hons.), D.Psych (Child Clin.)* & Associates

James is the Principal Psychologist for a team of school and clinic psychologists specialising in child & adolescent issues.

Our team share a passion for helping young people get the most out of life. We use practical and evidence based strategies for overcoming life's challenges.

Help when you need it.
